

## COVID-19 FACE COVERINGS REQUIRED (6/26/20)

- As of Friday, June 26<sup>th</sup>, ALL individuals are required to wear a face covering (mask, dust mask, bandana, etc..) over your nose and mouth when inside a public space (whether publicly or privately owned) AND when entering the premises at Cruz Construction.

### **THIS IS REQUIRED AND MEANT TO PROTECT YOU AND YOUR OTHER CO-WORKERS' HEALTH.**

- The requirement to wear a mask (**dust mask, bandana, etc.**) over your nose and mouth **if within six feet of another employee, even outside**, is to prevent you from becoming exposed to a respiratory hazard (aka COVID-19), even if the job is only for a few minutes.
- If you are outside working and **outside six feet** of another employee you are not required to wear a mask.
- Gloves must be worn **at all times** while working on the job site when using handheld tools or when running any type of heavy equipment.
- Do not sharing tools, equipment, phones, etc... with other employees.
- At the end of the day, wipe down any equipment and tools with disinfectant to prevent spreading the virus.
- Clean your hands with soap and water often. If there is no place available that has soap and water, employees should use hand sanitizer throughout the day.
- Avoid touching your face, nose, and eyes.
- If you have a fever of 100.4 or more, do not come to work so as not to infect other employees.
- If you appear to be sick, you will be asked to go home and not return until you are well. You may be asked to have a doctor authorize your return to work.
